I was just verifying as such, since the others just joined I will assume they are expecting be heard at the hearing as well with no ample notice to answer the joinders? I also requested whether you were opposed or unopposed to a continuance of the hearing?

Ms. Stephens,

In response to your email, please be aware that we have sent you notice--by certified and confirmation delivery mail along with a courtesy email--that the hearing tomorrow is on "Defendant Wilma Vicedomine's Special Exceptions and Motion to Dismiss under Tex. Civ. Prac. & Rem. Code 13.001." We intend to ask for all relief requested in the motion, including a dismissal. The court has also sent you notice of the hearing. Several parties have joined in the motion.

I believe that Defendants Neil McCabe and Don Clark have a separate special exceptions motion that will be heard at the hearing also.

The court has not set our motion to transfer venue for a hearing yet.

Mr. Stoger,

I just wanted to verify that the hearing tomorrow concerning you client is for the Special Exceptions and Change Venue? Or does the hearing include the Motion to Dismiss? Or a joinder with Mr. Clark and Mr. McCabe's hearing tomorrow?

Thanks

Teresa Stephens

Dear Parties & Counsel: I do not believe that it is necessary for a certificate of conference to be filed on "Defendant Wilma Vicedomine's Special Exceptions and Motion to Dismiss under Tex. Civ. Prac. & Rem. Code § 13.001," since the effect of the motion would be to dispose of the case. However, I would like to file a certificate anyway. Please email me with your position about whether you are opposed or unopposed to the motion. Thank you very much. JONATHAN S.
